

A – Á urči správně délku samohlásky
(maximalizujte obraz)

Interactive interface for vowel length determination. It features two target-like spirals: a purple one on the left with the text 'A - a' and a green one on the right with 'Á - á'. At the top are 'Edit' and 'Reset' buttons, and a question mark icon in the top right corner. At the bottom, there are eight buttons with syllable fragments: K_mil, hl_s, kop_t, liv_nec, p_trat, _ja, sal_m, and m_me.

E – É urči správně délku samohlásky
(maximalizujte obraz)

Interactive interface for vowel length determination. It features two spiral targets: a purple one with 'E - e' and a dark green one with 'É - é'. The interface includes 'Edit' and 'Reset' buttons at the top, a help icon (question mark) in the top right, and a grid of word fragments at the bottom.

_vropa	tun_l	tařín_k	ř_tel
kr_m	dloh_	ř_to	mil_

E – É urči správně délku samohlásky
(maximalizujte obraz)

Interactive interface for vowel length determination. It features a purple spiral on the left and a dark green spiral on the right. Each spiral has a yellow vowel with a horizontal line indicating its length. The purple spiral shows 'O - o' and the dark green spiral shows 'Ó - ó'. The interface includes an 'Edit' button, a 'Reset' button, and a help icon (question mark) in the top right corner. At the bottom, there are eight buttons with text: s_b, _dliv, kol_, P_lsko, p_l, p_lo, _da, and m_da.
