Interactive game interface for matching words with vowels. It features two target icons: a purple one with 'Y/Ý' and a dark green one with 'I/Í'. A 'Reset' button is at the top center, and an 'Edit' button is at the top left. A help icon (?) is at the top right. At the bottom, there are eight buttons with word stems: třp_t, sudokop_tník, p_smo, p_tlák, p_seň, p_skat, ptakop_sk, and p_chlavý.
